Dear Parents/Guardians,

The Parish of St James, Hoppers Crossing North, is delighted to announce the opening of St Clare’s Catholic Primary School in Truganina South in January 2015. The school, currently under construction, will be located at 130 Marquands Road.

As our Parish motto is “Come as you are” we celebrate diversity and embrace difference. We are a faith filled, welcoming and caring community. At St Clare’s, as a Catholic school, Jesus Christ will be presented as the model for authentic living.

St Clare’s students will be independent lifelong learners inspired by Gospel values and empowered with a sense of purpose and responsibility. They will confidently engage with others and will be equipped with skills to adapt to an ever changing world.

Students will be provided with rich and authentic learning tasks. Expectations will be high and feedback will be specific and regular to meet the individual learning needs of students. A dynamic and professional staff in partnership with parents and families will expect each child to thrive in his or her own learning, experience success and achieve to a high level.

The school will provide a stimulating and supportive learning environment utilising contemporary models of learning and teaching supported by a technology rich learning environment. A culture of thinking, innovation, performance and social outreach will be cultivated.

A map of the St Clare’s School Catchment zone is provided overleaf to indicate those Catholic/Christian families who are eligible to enroll their children into St Clare’s.

Enrolment applications are now open for Prep to Year 6. For enquiries please contact the Principal Andrew Leighton at principal@sctruganina.catholic.edu.au or ring the host school office on 9731 6004.

Kind regards,
Fr Jude Pirotta
